26 April 2016

**RAJASTHAN UNIVERSITY OF HEALTH SCIENCES**  
JAIPUR - RAJASTHAN

**3<sup>rd</sup>**  
**Convocation**  
26th April, 2016

# IMPULSE

**RUHS**

***Rajasthan University of Health Sciences***

**Sector 18, Kumbha Marg, Pratap Nagar, Jaipur (Raj.)-302033**

## The Inception

The RUHS was formed in the year 2005 as per the Government of Rajasthan Act, THE RAJASTHAN UNIVERSITY OF HEALTH SCIENCES ACT, 2005 (Act No. 1 of 2005) to bring about co-ordination and co-operation between various educational and training institutions of modern medicine and other systems of Medicine, Dentistry and allied health sciences and to promote research in all fields of health sciences.

The Rajasthan University of Health Sciences, Jaipur is a relatively young University of the country which came into existence on 31<sup>st</sup> March, 2006. Before its inception, the medical faculty was a part of the University of Rajasthan. There has been a continuous increase in the number of affiliated colleges and the academic scenario has reached new horizons. The University is now in the process of introducing new courses, job oriented courses and intensive research oriented programs.

Presently there are six faculties in University viz; Medicine, Dentistry, Pharmacy, Nursing, Physiotherapy & Occupational Therapy and Paramedical Sciences. The RUHS started with 8 Medical Colleges, 10 Dental Colleges and 52 Institutions of Nursing, BPT, BOT Courses. RUHS has presently two constituent colleges namely RUHS College of Medical Sciences, Jaipur and RUHS College of Dental Sciences, Jaipur. There are 226 affiliated colleges in these six faculties conducting various Under Graduate, Post Graduate, PG Diploma courses.

## *From the Desk of Vice-Chancellor*

**Dr. Raja Babu Panwar**  
*Vice-Chancellor*

It is my proud privilege to address the august gathering on the 3rd convocation of RUHS, fourteen months after the second convocation. I Welcome you all to the Rajasthan University of Health Sciences, Jaipur, establish by Act. 1 of 2005 by the Legislative Assembly of the State of Rajasthan. It was conceived with the purpose of bringing forth the latest advances in Health Sciences.

Under the aegis of the Hon'ble Governor of Rajasthan who has taken an initiative in improving the teaching standards of all colleges, by incorporating new teaching methodology, introducing biometric attendance of both the teacher and taught, thereby facilitating the transfer of knowledge and expertise to the next generation.

It is our endeavor to create research atmosphere in all colleges of different faculties. The research aims to provide contemporary health care prevention & services to the mass by amalgamating newer advance in Medical Sciences and equipment. The process of procuring financial assistance for the same from national organizations and government of India is in pipeline. The university is promoting innovative programmes for academic excellence. We have introduced BLS, ACLS and bioethics as integral part of Medical & Dental curriculum.

In our commitment to social upliftment, the university has adopted 'Ajmeripura' village. It will be developed as a 'Model Village' of 'Rising India'. We are working towards developing the infrastructure, providing and subsequently upgrading social, educational and medical amenities in the village thereby making it 'self-reliant'. Journey well begun is half done.

The Rajasthan University of Health Sciences has seen considerable growth in the past few years, with the introduction of new courses of study, new disciplines, new colleges and increase in number of annual intake of students in different affiliated colleges. With the range of disciplines and the quality of the faculty and students, the RUHS is in the process to present itself nationally and internationally.

The University offers a wide range of programmes of study providing diversified options for medical professional qualifications and growth. RUHS is introducing courses which are job oriented and help in better employability and professional advancement in shortest possible time. This has been possible through strong credentials and reputation in attaining academic excellence and in establishing long time international collaborations with reputed institutions/universities in educational ventures, /projects, students and faculty exchange programme, international training for students and faculty, international placement of students, international accreditation of the institutes and promotion and branding of the University at international level.

The RUHS is also providing ancillary services inform of recruitment and entrance examination to fulfil the deficiencies in various medical & dental college. It is instrumental in recruiting more than 2000 medical officers and teachers in various services of the state there by ensuring medical facilities at grass root level.

As Vice Chancellor, I am privileged to lead a very committed and dedicated team of talented faculty who are always trying to strive for academic excellence and transform and groom the personalities of our medical students in such a way that they are not only turned into knowledgeable and skillful medical professionals to compete at global level but they also remain connected with the Indian ethos, values, rich culture and heritage with a view to transform them into insightful, honourable and responsible citizens of this great country.

## Objectives

- ☆ To disseminate and advance knowledge in medicine, dentistry and other fields of health sciences and to ensure efficient and systematic instruction, teaching, training and research therein;
- ☆ To provide for a super-speciality research hospital as a centre of excellence;
- ☆ To provide medical care to patients in its hospitals.
- ☆ To establish a nursing training centre and Centre of Excellence in Pharmacy education;
- ☆ To establish a tele-medicine department;
- ☆ To develop a reproductive and population control research institute;
- ☆ To develop a genetics department;
- ☆ To develop an environment and pollution control institute;
- ☆ To develop transfusion medicine;
- ☆ To develop a nutrition research centre;
- ☆ To develop gene-therapy, molecular biology, robotic surgery, bio-informatics, organs transplantation, bio-technology, immunology and clinical epidemiology and other facilities in medicine and dentistry; and
- ☆ To establish a centre for imparting training to teachers.

Established	25 February, 2005	Total Students	Above 10,000
Started Functioning	01 April, 2006	Faculties	06
Constituent Colleges	02	New Courses	05
Affiliated Colleges	226	Entrance Exam.	08

## The Aims

- ☆ To effectively pursue work for increasing annual admission capacity of seats in all affiliated institutions.
- ☆ To introduce new PG Diploma & Certificate courses by RUHS.
- ☆ To organize various fellowship programmes at RUHS and obtain fellowships in medical research from different institutions of international repute.
- ☆ To undertake comprehensive developmental activities for all affiliated and constituent colleges & hospitals of RUHS.
- ☆ To develop Academic & Research Unit of RUHS in comprehensive manner for promotion of medical research.
- ☆ To make RUHS Research Hospital functional.
- ☆ To acquire additional resources viz. land & manpower for further strengthening the infrastructure and to establish University Library, Activity Centre, Centre of Innovation of Preventive, Promotive & Rehabilitative Medicine, Sports Complex, Institute of Pharmacy, Nursing, Paramedical & Dentistry, Institute of Biotechnology, Residential Buildings for Doctors, Nurses, Residents, Faculties & Hostels etc. It will be a comprehensive & integrated medical education campus.
- ☆ To strengthen the existing website facility of RUHS for effective usage.
- ☆ To establish and develop a Centre of Nano-Medicine & Stem Cell Research Lab with the financial support from Biotechnology Department of Government of India and Department of Science & Technology, Government of Rajasthan.
- ☆ To develop an institute to provide training in Disaster Management.
