

## CME on “Emerging Trends in Medical Education”

RUHS CMS conducted a CME on 2nd September 2016, which was centered on the theme “**Emerging Trends in Medical Education**”. Participants included Dr. Bharti Malhotra, Dean, Faculty of Medicine RUHS, Dr. Rajesh Sharma, Principal RUHS CMS, Vice Dean, Academics and Research, RUHS CMS, and faculty of RUHS and its constituent colleges. The resource faculty of the talk was **Prof Tejinder Singh**, Professor & Head of Medical Education, Christian Medical College, Ludhiana and Founder Program Director, CMCL-FAIMER Institute.

**Prof. Tejinder Singh sharing the dais with Dr. Bharti Malhotra, Dean, Faculty of Medicine, RUHS and Dr. Rajesh Sharma, Principal RUHS CMS**

Prof. Tejinder Singh led the CME sessions employing emerging and interactive teaching methodologies. Topics covered during the CME included principles of adult learning, interactive teaching in large groups, microteaching, good teaching practices, problem-based learning, teaching communication skills, teaching clinical skills, professionalism and ethics, the effective use of technology in instruction, and the emerging trends in medical education.

**Faculty, RUHS CMS attending the CME**

Prof. Singh noted that the participants were very receptive and actively participated in every session. He praised Dr. Rajesh Sharma, Principal, RUHS CMS for his guidance and encouragement in bringing about the CME. The RUHS CMS faculty were delighted by the skill oriented and meticulously planned sessions. Vice Dean delivered the vote of thanks and said that RUHS CMS looks forward to continued support and encouragement from Prof. Singh in taking forward the cause of medical education in RUHS CMS.

RMC accredited the CME and accorded 2 credit hours for the participants.
